(WASHINGTON, June 3, 2013) "AAA is saddened to learn of the passing of Senator Frank Lautenberg. Among the many accomplishments of his distinguished career, we will remember Senator Lautenberg for his strong commitment to highway safety. Senator Lautenberg worked tirelessly to improve the safety on our nation's roads and bridges by strengthening impaired driving laws, maintaining truck size and weight restrictions, improving bus safety and being outspoken in favor of injury prevention for all transportation users. His loss is felt throughout AAA and on behalf of the association I would like to extend my condolences to his family and friends."
